***Dutchess County Young Republican and Dutchess County Young Democrats Invite  
you to Bowl for a Cause and Help the People of Haiti***

The Dutchess County Young Republicans and the Dutchess County Young Democrats will be competing once again on February 27th, but this time for a cause. The two organizations have joined forces and are inviting the public to join them in bowling for a cause at Taft Avenue Hoe Bowl in the Town of Poughkeepsie. The proceeds will be donated to the Bush/Clinton fund that was set up to help the people who have been devastated by the recent earthquake in Haiti

On January 12th 2010 Haiti was hit with a devastating earthquake killing an estimated 200,000 people and wounding 300,000. It is difficult to imagine daily life without the basic needs we take for granted every day. The men, women and children of Haiti are living without food, clean water and desperately needed medical attention and supplies.

The immediate out-pour and generosity from people around the world has been truly inspiring and remarkable. Although money and awareness has been raised, our work is not done. Approximately 3 million people have been affected by the earthquake. Haiti's Infrastructure has been destroyed; their communication, sanitation, education and transportation systems need to be rebuilt, as well as their Hospitals.

We are inviting you to join both the DCYR and the DCYD as we put aside our political difference and come together to help Haiti rebuild not only their country, but their spirits and hope as well.

We hope you see this as an opportunity to not only assist a country desperately in need of your assistance, but a chance to inspire and encourage the young people in our community to get involved, and that their efforts can make a difference.

This great event will begin at 1pm and will feature teams of four who will be competing for fun and this great cause. If you are interested in participating please e-mail Julia Pagones at [Julia.Pagones1@marist.edu](mailto:Julia.Pagones1@marist.edu) no later than Monday February 22nd.

If you cannot attend but would still like to benefit this cause there are a number of sponsorship opportunities available as well.
