DUTCHESS YOUNG REPUBLICANS ENDORSE TEDISCO FOR CONGRESS

The Dutchess County Young Republicans (DCYR) are proud to endorse Jim Tedisco for New York's 20th Congressional District.

“Jim is a down-to-earth guy who understands the problems facing young families and business owners right here in the Hudson Valley. A proven leader and public servant, Jim will serve us well in Congress,” said DCYR chairman Michael Kelsey. “Still he needs our help to ensure victory on March 31. So, join us in doing everything in our power to make Jim Tedisco our next congressman!”

“Jim Tedisco has a long history of fighting for what is right as a New York Assemblyman and as Leader of the Assembly Republican Conference. He fought against an unlawful plan to give drivers licenses to illegal immigrants; he fought for real property tax caps; extended health care coverage for uninsured children, and he has led the fight for tax relief, more jobs, and a better quality of life,” explained Justin Varuzzo, DCYR Legislative Director.

The DCYRs know the importance of responsible government in these tough times and are confident Jim Tedisco will bring the same passion and work ethic to Congress that he has brought to the New York State Assembly.
